GOOD LUCK and LET'S PLAY BALL!!!
COACH JOHNSON and COACH _____

BOYS SOCCER for this middle school season.

ALL games are scheduled to be played at 4:30 P.M.unless other arrangements are required. Contact your opponent and let my office know of the needed change and the reason why. If a game canNOT be played as originally scheduled, please choose the NEXT AVAILABLE date to play. This applies to weather postponements also. If a school canNOT HOST a game on the date given, please check to see about switching HOME and AWAY with opponents you would be playing twice. This is often the easiest way to fix a site problem. In all cases, please contact your opponent and then my office.

Every school should be playing ten (10) contests (5 HOME, 5 AWAY) Also note that, in BOYS SOCCER, in the North and South-Central divisions (both of which have only 5 schools) each school will be playing one non-division school Home and Away to complete their ten-game schedule.

Athletic Directors should SHARE this schedule with your COACHES as well as your Administration. Schedule for BOYS SOCCER follows. Athletic Directors should go through the schedule and EXTRACT just YOUR SCHOOL's contests to be certain everyone has the correct dates and opponents. Please do NOT distribute this entire MASTER schedule to your students and parents.

PLEASE NOTE: The first two (2) dates for each sport were sent out last week. These contests are listed below as ORIGINALLY scheduled, even though some re-arrangements have already been made.

When sending requests for game changes, please be certain to list the Sport, Opponent, and Original Date, along with the requested change. Please also give the reason why the change is necessary.
